- Microsoft Office
- Strong communication
- Problem solving
- Flexible / Fast Learner

## EDUCATION

**City College of Angeles**  
**Bachelor of Science in Computer Science**  
2018 - 2022  
Magna Cum Laude  
Thesis: "ParkeMepa: Android-based Smart Parking  
Locator Using Esp32"

**STI Angeles**  
**Information Communication Technology**  
2016 - 2018  
With Honors

## WORK EXPERIENCE

**SOFTWARE ENGINEER**  
**HOOLI SOFTWARE CORPORATION** June 2022 - 2025

I am a full-stack developer with experience in various projects. For web development, I work with technologies such as JavaScript, React, TypeScript, Tailwind CSS, Redux, Jotai, React Query, and Axios for the frontend. On the backend, I utilize Java Spring Boot, MVC architecture, JUnit for testing, and MySQL for the database. Additionally, I have experience in mobile development using Flutter, Go(lang), and Firebase.

**SOFTWARE ENGINEER - INTERNSHIP**  
**HOOLI SOFTWARE CORPORATION** March 2022 - June 2022

During my internship, I underwent comprehensive training that not only honed my programming skills but also improved my communication abilities and teamwork. This experience provided me with invaluable insights into industry practices and collaboration dynamics. I gained proficiency in various technology stacks including React, TypeScript, and Tailwind, and acquired practical knowledge on API integration.

## CERTIFICATES

- 2019 Introduction to IoT
- 2019 Introduction to Packet Tracer
- 2020 PCAP: Programming Essentials to Python
- 2020 CCNA Routing and Switching: Introduction to Networks
